ACP Schedule 2019/20

Because of the global nature of the Priestess circles, sometimes you will be able to join us in person and other times you can simply and effortlessly access the replay.

While you do not need to be on the calls in person, you do need to make sure you have scheduled training time in your calendar. Being present to the calls, when possible, will help to anchor the work.

Days and times of your training depend on the circle in which you enrolled:
